Greetings, Brethren,

Good things happened on Hillbilly Night. Several members were present from Lodges in different Districts. We conferred the Fellowcraft Degree on a Brother from Kansas who received his EA Degree there and then joined our Lodge.

Later in May we had a Hawaiian Shirt night and portrayed the Master Mason Degree. A good time was had by all!

The meal before our June 1 Stated meeting will begin at 6:30 due to the blood drive activity that day.

I am going to call a Special meeting in June. I'm not sure of the date yet, so I am going to put out a robocall later.

The Grand Master's One-Day Class for this area is going to be at the Dayton Masonic Center on June 27. Let the Lodge know if you know anyone who would like to be a Mason.

The Light is burning bright in your Lodge!  
Terry Simmons, Worshipful Master

Greetings Sisters & Brothers,

We had our inspection on May 12, 2026. The officers did their work in an exemplary manner. I was proud of the time and effort that our officers made in doing their work well.

Our June 9, 2026, meeting will be the annual meeting where the audit, budget, and trustee reports will be submitted and reviewed. We will have elections at that meeting which will prepare Aldora Chapter for the 2027 year.

We will be presenting 50- and 60-year pins. I have received notice that Sister Thelma Komar will be attending to receive her 50-year pin; Sister Thelma Ramsey will be presented with her 60-year pin. The June meeting is also when the chapter celebrates its birthday. Sister Carla Skaggs will be preparing the light dinner before the meeting and providing the birthday cake. I know that the meal will be delicious; please be present for the light dinner at 6:30 to break bread and have fellowship with our members.

We are continuing to collect nonperishable items for the FISH Pantry. After two to three months of collections, the items will be delivered to the FISH

Pantry. There are many in our community that are not as fortunate as us that utterly depend on the FISH Pantry and the like for their daily sustenance.

If you have not been able to attend our meetings, you ARE missed! If you need transportation to the meeting, please let me know. I will see that you are able to come. We would love to see you!

If there is any illness among our members, please let us know. Even if you are unable to attend due to health issues, we care about each of you as a cherished sister or brother.

We are now seeing the warmth of spring. Like many of you, your Worthy Matron is looking to get the garden planted to enjoy the fruits of the harvest later this year. We are blessed to have the different seasons of the year to enjoy.

Please take care of yourselves, stay in good health and remember: nothing can separate us from God's Love!

With Star Love,  
Julie Ramsey, Worthy Matron  
Paul Pinkerton, Worthy Patron  
Misha Ackenhausen, Secretary
